Vegetarian Nutrition Resource List
April 2008

This publication is a compilation of resources on vegetarian nutrition. The resources are in a variety of information formats: articles, pamphlets, books and full-text materials on the World Wide Web. Resources chosen provide information on many aspects of vegetarian nutrition.

Materials included in this list may also be available to borrow from the National Agricultural Library (NAL). Lending and copy service information is provided at the end of this document. If you are not eligible for direct borrowing privileges, check with your local library on how to borrow through interlibrary loan. Materials cannot be purchased from NAL. Contact information is provided if you wish to purchase any materials on this list.
